Giving life to a world of materials

SFB is accepting nominations for Student Awards!

Student Awards for Outstanding Research

Student researchers who have shown outstanding achievement in biomaterials research may submit applications and a manuscript reporting their research. The manuscript must be in the style of Journal of Biomedical Materials Research and must be submitted in one of the following categories:

- Undergraduate student
- Masters or Health Science degree
- Ph.D. degree candidate or equivalent

Outstanding Research by a Hospital Intern, Resident or Clinical Fellow Award

Hospital interns, residents, clinical fellows, or individuals in equivalent positions who have shown outstanding achievement in biomaterials will be considered for this award. Applicants may have already completed their program. In such cases, submitted papers must be the result of the research conducted during their internship, residency or fellowship. The manuscript must be in the style of Journal of Biomedical Materials Research.

For the Nomination Form you can visit the SFB website at:
